

Your OneStop Portal, Your Virtual Law Firm.

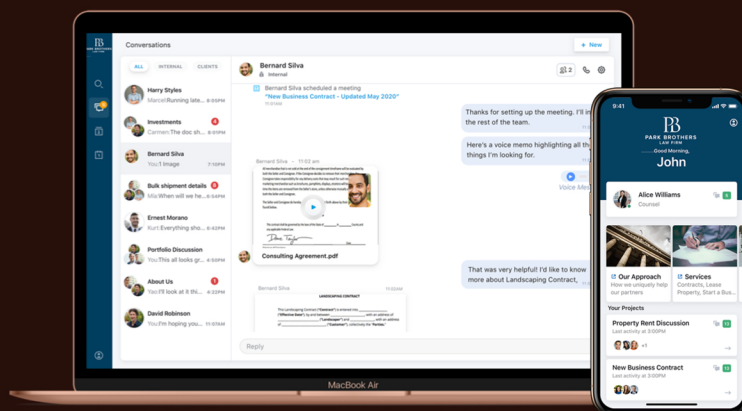

ENGAGE CLIENTS, KEEP CASES ON TRACK, AND MANAGE YOUR FIRM

Engage Your Clients

Your OneStop Portal is a high-touch destination, under your brand, where your firm and clients maintain a continuous connection to complete business.

Manage Your Firm

Manage your client relationships and your internal staff to deliver responsiveness. Designate roles and permissions for your paralegals, admins, co-counsels, and others.

Case & Task Management

Create workspaces for each case. Keep on track with complete oversight on your firm's performance to your goals.

Workflows & Personas

Manage identities, responsibilities, and interaction workflows for appropriate communication and information

Security & Auditability

Moxtra records and stores all interactions, with bank-grade security, so you have an auditable, searchable record.

Client Communication

Engage with clients and stay responsive on-demand, with a branded digital experience for both mobile and web.

Document Collaboration

Centralize your document storage. Engage on documents with digital signature, comments, and audio-visual annotations.

Agreements & Intakes

Seamlessly deliver and complete intake forms and agreement signatures digitally, accelerating business processes.
